

Jesse Godfrey - Grantsville West Virginia, Racing the Midwest Motorsports NRG450F  
Jesse is aboard the Midwest NRG450F in the AMA Pro-AM in USA and CMRC MX1 Pro. After taking delivery of the bike and doing some testing he did the following mods to get it ready for racing:

- Changed the Forks to a 48mm Showa Twin Chambers
- Rear suspension to a Showa
- Keihin FZR 39mm w / Honda cables
- Customized the Air Box for larger intake
- Changed tires
- New handle bars with triple clamp

After doing the mods and finishing testing Jesse began the year racing. He raced in the GER Series and had been in First place in the class until pulling out to go onto the nationals. At the National in Morden Manitoba Jesse ran strong in the qualifiers in 18<sup>th</sup> and DNF'd at 26<sup>th</sup> out of 40 qualified. Gopher Dunes was a great place to do some testing and get going on the qualifiers but when your racing things happen and today was one of those days,

Jesse DNF'd in the Qualifier. Jesse's been excited about the prospects of racing the NRG450F and with some more tuning next year is sure to bring on some more great results.
